12. RESULTS & PROTESTS:

Provisional results will be published as soon as possible after the final run. Please note we will not be producing any paper copies of results. Results will be accessible via the virtual notice board and the TSL Timing website, links will be provided in the Final Instructions.

Protests and appeals should be made in accordance with the relevant sections of the Motorsport UK General Regulations Section C.

13. PRACTICE:

Competitors will have the opportunity of one practice run consisting of 1.75 laps, starting singly with up to 3 cars on the circuit at one time. Competitors will also be provided with the opportunity to walk the course prior to 8.30am.

14. TIMED RUNS:

Cars will start singly with up to 3 cars on the track at one time. Each run will consist of 1.75 laps. Timing will be by automatic timing equipment. Starting signal will be by the use of traffic lights. The finish will be indicated by a chequered flag. The finish will be situated along the straight between Palmer & Agostini corners adjacent to the Tyrells Restaurant. Upon completing the run/practice indicated by a chequered flag, competitors must pull to the right of the track, slow and pull off to the right at the exit road to proceed back to the paddock. They should ensure they do not interfere with any other car on the track attempting to record a time. Failure to comply will result in the time for the run just completed being disallowed.

Competitors will have the opportunity of up to FOUR timed runs per day (time and weather permitting). All timed runs will be used to decide the results for the overall and class award, and the championship points. Any further non qualifying runs will take place at the discretion of the Clerk of the Course on the day.

BRITISH SPRINT CHAMPIONSHIP – TOP 12 RUN-OFF:

A top 12 run-off, only for competitors registered for the SBD Motorsport British Sprint Championship will be held in accordance with their Championship Regulations after the conclusion of the timed runs.

15. IDENTIFICATION:

Identification will be by competition numbers on either side of the car which will be allocated by the organisers. However, numbers will not be provided by the organisers. **Where a car is driven by two drivers, the numbers not in use must be removed.** If this is not done, the timekeeper may not give a time.

16. OVERTAKING:

Overtaking a non-stationary vehicle will not be permitted. If you are baulked by a slower driver or an incident, a re-run may be claimed. Any competitor overtaking a non-stationary vehicle or ignoring a flag marshal's signal maybe disqualified from the results. All re-runs must be claimed by the competitor in person from the Clerk of the Course.

17. MARKING & PENALTIES:

Competitors will be penalised by 5 seconds for each course cone struck. In the event of a competing car failing to keep all four wheels on the designated course a penalty of '4 wheels off' [4WO] will be imposed and no time will be given for that run. Failure to follow the correct route [WR] will also result in no time given. If, for any reason, a competing vehicle strikes the course timing equipment a time will not be given for that run.

18. FLAG SIGNALS:

Only 3 flag signals may be used.

- Union Flag at the start if the start lights fail.
- Chequered Flag / Board at the Finish.
- Red Flag [Q12.24.3(j)] will apply in S9.3.7]

If a Red Flag is displayed at a marshal's post, immediately cease driving at racing speed and proceed slowly, without overtaking, and with maximum caution to pits or start line obeying marshal's instructions, and being prepared to stop should the track be blocked.

Competitors who ignore a red flag signal may be disqualified, have their licence endorsed and incur licence penalty points in accordance with C2.1.4-C2.1.8.

19. TIMING STRUTS:

Timing will be activated by a light beam and competing vehicles will be required to be fitted with a timing strut in accordance with Motorsport UK General Regulation S10.10.

20. LOG BOOKS:

Competitors are reminded of the requirements of GR S9.1.7. where, unless a car is currently licensed for use on the public highway and is competing on the event in a road legal condition, a logbook will be required. Logbooks will not be available, issued or validated at the events.

21. PRACTISING & TYRE WARMING

There is no designated practice start or tyre warming areas at this venue. The practising of competing cars outside the designated course area is strictly forbidden and may result in disqualification from the event.

22. GENERAL:

All other General Regulations of Motorsport UK apply as written except the following which are modified:

S9.2.3: A vehicle may be driven by more than one driver but not more than two

S9.3.2: A vehicle which leaves the track involuntarily or otherwise becomes stationary on the track may not complete its timed run. If possible the vehicle should be moved off the track to a safe place. No vehicle may return to the track until the run is completed and instructed to do so by a marshal. A re-run will not be permitted.

Dogs are not permitted at Snetterton.

23. STARTING PROCEDURE:

Drivers will be notified of the running order in the Final Instructions. Cars will be started singly from the paddock gate, by traffic lights, with 3 cars on the track at one time. Because of the track layout at Snetterton and to ensure the safety of all associated with the event, the following starting procedure will be adopted. Competing vehicles will be brought forward to the start line by one of the start marshals at which time the driver must be entirely ready to start. When the traffic lights turn green the competitor has a maximum of 5 seconds to commence their timed run. If the competing vehicle has not left the start line within 5 seconds, the start marshal will display a red flag to the competitor and the run will be void. No re-runs will be awarded for this occurrence. Any competitor starting the run after the red flag has been shown will be disqualified from the event.

24. TIMING QUERIES:

Any queries regarding times should be raised by competitors with the Secretary of the Meeting at the Paddock Office. Competitors must not approach timekeepers direct and should any competitor query a time directly with a timekeeper, they will be disqualified from the event.

25. NOISE:

All cars must comply with J5.17. The organisers reserve the right to noise test any competing car at any time during the meeting.

A Motorsport UK Environmental Scrutineer will undertake the static test if in their judgement a vehicle exceeds the noise limits they will fail this vehicle. THERE IS NO RIGHT TO APPEAL THIS DECISION.

26. JUDGES OF FACT:

Start Line Marshals – Judges of Fact for start line procedure.

Environmental Scrutineer – Judge of Fact for noise issues.

Course Marshals – Judges of Fact for course marker penalties, course violations and baulking.

Chief Timekeeper – Judge of Fact for timing matters.

27. CAMERAS:

Onboard cameras are subject to J5.21 and footage must be surrendered to the organising club at the request of the Clerk of the Course.

28. PROTECTIVE CLOTHING:

Motorsport UK approved helmets, race overalls and gloves are required to be worn by all drivers on the circuit. See K9 Overalls, K10 Helmets and K14.3(e)Gloves. Also if applicable Head Restraints in accordance with S.9.2.1.3 and K13.
